D

TARINA TARANTINO was founded in 1995 by Tarina Tarantino and Alfonso Campos. The 1990's were the height of minimalism in the fashion world. Accessories were almost non existent in the pages of fashion magazines and stores. Our colorful and inventive designs were a breath of fresh air for customers that were tired of blending into the fashion landscape. Girls looking for ways to personalize their own style finally had a choice. We wanted to bring accessories made with the highest quality materials infused with color, sparkle, and unique design into the marketplace. And we believe that there should not be any rules when it comes to creating your own personal style. Tarina's collections had an immediate appeal to girls of ALL ages.
